

Multi-Hopper Grinders

A superior coffee grinding system combines the ability to grind multiple coffees with patented BrewWISE® Technology

Grinders

MHG
(Black)
(funnel sold separately)

MHG
(Stainless)

PRODUCT FEATURES

- Convenient, front-loading hoppers allow grinding of a wide variety of coffees.
- Hoppers hold up to 2.75 kg each of regular, decaf or speciality beans.
- Stores individual coffee grind weight profiles.
- Portion controlled for the right amount of coffee, with three batch sizes per hopper.
- Precision burrs for consistent, commercial quality grind.
- Easy-to-clean removable hoppers.
- LCD alphanumeric display shows coffee names and diagnostics.
- Accommodates all BrewWISE® Smart Funnels®.
- BrewWISE® intelligence means the Smart Hopper manages the grinding and brewing process from start to finish.
- Smart Hopper tells the grinder what coffee is in it through a microchip in the hopper.
