

Quality Beverage Equipment Worldwide®

BUNN is pleased to announce a new format for our beverage technician Associate Certification course. This change will allow technicians to complete approximately one day of the coursework online and then attend a two day intensive hands on session at one of BUNN's training centers.

The online portion can be completed at the technician's own pace keeping in mind the online evaluation must be passed prior to requesting a seat in one of our hands on sessions.

To get started, click the link here to go to the home page of the BUNN Online Learning Center (BOLC). <http://learningcenter.bunn.com/>. Once there, create a personal user name and password. Once your personal user account has been created, go to the menu bar and place your cursor over Resources, choose 'Commercial Equipment'. In the Course Categories List click on 'Associate Course' under Certification Courses, following the step by step instructions listed there.

If you have questions call BUNN's Training Administrator at (800) 637-8606 extension 7886

MONTH	CLASS LOCATION	ASSOCIATE CERTIFICATION DATES	
<b>2015</b>			
MAR	Springfield, IL	10	11
